Fifty-First Annual Report
OF THE
BOARD OF MISSIONS
FOR FREEDMEN
OF THE
PRESBYTERIAN CHURCH
IN THE UNITED STATES OF AMERICA
TO THE
General Assembly of the Presbyterian Church
FROM MARCH 31st, 1915 TO APRIL 1st, 1916

The Board of Missions for Freedmen presents to the General Assembly its Fifty-First Annual Report.

We are again thankful to be able to say that we have once more, and for the sixteenth time, in annual succession, closed our fiscal year with enough funds on hand to meet all outstanding obligations.

During the past year the annual contributions from churches amounted to \$89,309.31, as compared with \$83,626.82 the year before, making a difference in the right direction of \$5,682.49.

The contributions from Sunday Schools show a decrease of \$1,823.33, but the Women's Societies went ahead of the year before to the amount of \$3,821.51, and the Young People's Societies made a gain of \$930.15.

The Sunday Schools decreased from \$13,736.60 to \$11,913.27.

The Women's Societies advanced from \$72,176.09 to \$75,997.60.

The Young People's Societies advanced from \$9,876.71 to \$10,808.86.

Receipts from Miscellaneous Sources, including mainly individual gifts, and interest on invested funds, increased from \$40,800.04 to \$48,289.49.

Legacies from year to year go up and down by a law of their own, which no man knoweth, nor can discern. Three

years ago they amounted to \$26,001.81; two years ago to \$16,031.05, and one year ago to \$68,172.43, and this year to \$26,401.69.

The number of churches that helped us in any one way, either by congregational collections, or through Sunday Schools, or Young People's Societies, or through the Woman's Board, was 6,234, an increase of 118 churches; but still leaving 3,762 churches, that gave us nothing whatever.

The number of Sunday Schools that contributed to the Board direct was 575. The number that gave through the Woman's Board was 486, making a total this year of 1,061, as against 1,296 last year, showing a decrease of 235 schools.

The number of Young People's Societies contributing direct to the Board was 49, an increase of 6. The number contributing through the Woman's Board was 1,291, an increase of 128; the whole number contributing being 1340, a total increase of 134.

The following is a comparative statement of receipts from all sources for this year and last.

RECEIPTS

	1914-1915	1915-1916	
Churches	\$ 83,626.82	\$ 89,309.31	Increase \$ 5,682.49
Y. P. Societies.....	9,878.71	10,808.86	Increase 930.15
Sabbath Schools.....	13,736.60	11,913.27	Decrease 1,823.33
Women's Societies....	72,176.09	75,997.60	Increase 3,821.51
Miscellaneous	21,201.29	22,700.41	Increase 1,499.12
Int. on Inv. Funds.....	19,688.75	25,588.58	Increase 5,899.83
Legacies	68,172.43	26,401.69	Decrease 41,770.74
	<u>\$288,480.69</u>	<u>\$262,719.72</u>	<u>Decrease \$25,760.97</u>

The amount of money given to church work by the people on the field, including church buildings, repairs, contingent expenses and ministerial support, as reported to us by our ministers in their annual reports to the Board, was this year \$88,315.38.

The amount given on the field to our School Work by patrons and friends, as reported to us this year by our teachers was \$80,671.76.

In addition to this the Churches under the care of the Board, not including those that are now self-supporting, gave through their annual collections \$1,118.13 to the Freedmen's Board, and to the other Boards and Agencies of our Church \$2,751.41.

Adding the amount raised on the field for church and school purposes, to the amount given by these Churches to the Benevolent Agencies of the Church, we have a sum total passing through the hands of the ministers, Elders, and Teachers, directly or indirectly for their own good, in their own communities, and for the good of others, in other parts of our own land, and other lands, amounting to \$172,856.68, the largest amount ever reported to us in this way.

It will be noticed that while our receipts from legacies this year fell off to the amount of \$41,770.78, our total receipts were only \$25,760.97 less than last year. Our receipts, a year ago, less legacies, were \$220,308, while our receipts this year, less legacies, were \$236,318, being \$16,010 more than the year before, from sources other than legacies.

Last year out of \$68,172 from legacies \$47,124 had to be put away in permanent investments, leaving only \$21,048 for the current expenses of the work. This year out of \$26,401 from legacies, only \$7,200 had to be put away in permanent investments, leaving \$19,201 for current expenses.

Most of the legacy money that came to us last year was from the John C. Martin Estate. We received in cash and invested \$47,124, and we received from the same source interest-bearing securities valued at \$46,825, making a total of \$93,949, held by our Board in trust for the establishment of John C. Martin Bible Chairs in our Schools and Colleges, to the number and extent justified by the income from this Fund.

We have maintained this year such a Chair in our Haines Normal and Industrial Institute, at Augusta, Ga., having appointed Rev. A. C. Griggs as the incumbent; and recently appointed Rev. L. B. Ellerson, of Birmingham, Ala., as Professor of Bible Instruction in Biddle University; both of these instructors receiving their entire support from the proceeds of this Fund, in accordance with the wish and desire of the generous Donor, who in his last Will and Testament wrote, "It is my wish and desire that each of these bodies, Freedmen's Board, Board of Home Missions and College Board, shall create and install in such colleges, schools and places of learning under its supervision and control, a regular course of instruction for Bible teaching and each of which shall be designated and known as: "The Bible Training Department of the John C. Martin Foundation."

We give below a condensed statement of the nature and extent of our work as we have maintained it as best we could during the past year.

We could easily and without extravagance or waste, wisely use double the amount we have had at our command, in the better equipment of the work we are now responsible for, and in opening new work on needy fields, where there is no such work now and never has been.

Pursuant to the action of the last General Assembly, in adopting the Report of the Executive Commission, to which the matter was referred by the previous Assembly, the limitations under which the Freedmen's Board, by order of the Assembly, had been confining its activities only to the Colored people in the South, were removed, to the end that the Board might hereafter engage in evangelistic work among the Colored people in the Northern States.

This recommendation was contained in Resolution of the Commission No. 2, as follows:

"Resolved 2—As the Board by its Charter is national in its scope, but now limited in its activities, by order of the General Assembly, we would recommend that these limitations be removed, to the end that the Board may engage in evangelistic work in the Northern States, among the Colored people, when requested by the Presbyteries and various Synods, upon such terms as will secure the co-operation of the Presbyteries and Synods in the work of the Board." (See Assembly Minutes 1915, page 254).

Along with the adoption of this recommendation the Executive Commission united in a preliminary suggestion made by our Board and incorporated it in their Report as follows: "The Board recognizes that it will be compelled to consult the self-supporting Synods concerning the mission work which it should undertake, within their bounds. It must avoid any intrusion upon their rights, especially those defined by their contract with the Board of Home Missions, and guard against even the appearance of a violation of that contract when asked to enter upon such work. Only through permission of a Presbytery endorsed by the Synod, could the Board feel justified in accepting such a task within a Synod's territory."

Soon after the adjournment of the General Assembly the Freedmen's Board began to get inquiries from Colored ministers in charge of non-self-supporting Colored churches in the North.

Mindful of the admonition concerning self-supporting Synods, our Board addressed a letter of inquiry to the Stated Clerks of every self-supporting Synod in our Church, asking if their Synods would have any objection to our taking up evangelistic work among the Colored people within their bounds.

We received favorable replies from a number of these Synods, but from most of them we received no reply. No objection however, has been received from any one of them.

We agreed with the Home Board to take over bodily the whole evangelistic work they had been doing among the Colored churches, and on the same terms that they had agreed upon, and for one year from the time we began, when recommended by the Presbyteries to which they belonged.

The list of presbyteries in which we labor on their recommendation, and the number of churches so related to them are as follows:

In Brooklyn Presbytery, one; Philadelphia North, one; Jersey City, two; Carlisle, four; Westminster, two; Cincinnati, one; St. Paul, one; Denver, two; Seattle, one; Cheyenne, one.

During the past year two of our ministers in charge of churches were called to lay down their work on earth and enter into that rest that remaineth to the people of God, Rev. T. K. Blue, in charge of Williams Chapel, Anderson Creek and Spout Springs Churches, belonging to Cape Fear Presbytery, and Rev. W. P. Donnell, in charge of two churches, in Yadkin Presbytery, and at the same time Principal of Yadkin Academy at Mebane, N. C. Both of these men had yet many years of good service before them as far as age and physical strength and willingness to work were concerned. but God had other plans and so called them away from their earthly work, and in His own way assigned them to some higher service in the other world.

More startling and striking was the end of the earthly service of Rev. Graham C. Campbell, who for twenty-five years had been at the head of our Seminary for girls, Ingleside Seminary, situated at Burkeville, Va.

This Institution for many years has been lighted successfully and safely by an acetylene plant. On the early evening of December, the second, after dark, something went wrong

with the lights, and Mr. Campbell, quite familiar with this system of lighting, which he had superintended for many years, secured a lantern, and taking with him two of the girls, who were pupils in the Institution, went in search of the trouble. The house containing the generator was wisely placed at a safe distance from the Dormitory. The girls with the lantern were placed at a safe distance from the gas-house, where they were expected to remain, and this they did for awhile. But curious to see what was going on while Mr. Campbell was remedying the trouble, one girl with the lantern approached too near, when a terrific explosion occurred, wrecking the building and instantly killing Mr. Campbell and the girl who held the lantern.

In the death of Mr. Campbell the Board lost one of its most efficient workers, and the Minute adopted by the Board with reference to the life and death of this good man deserves permanent record.

"The sudden death of Rev. Graham C. Campbell, President of Ingleside Seminary, who, as in the twinkling of an eye, passed December 2nd, 1915, from the service of his Redemer on earth to his heavenly reward, has given much sorrow to the members of the Board, in whose work he was for so many years, an honored and successful worker."

"Not only because of his twenty-five years of continued service, does the Board wish to keep his name in remembrance and testify to their regard, but because of his unfailing devotion, and his wise enthusiasm, and his great sympathy for the Negro Race, and his desire to enrich their lives with a Christian education of mind and heart."

"In the very act of usefulness, and while discharging the responsibilities of his position, he was called, like a soldier on the battle field, from the conflict to the triumph; and his translation was in beautiful harmony with his unselfish purposes."

"His work began in Africa and providentially transferred to this country knew no lessening of devotion, no lowered sympathy and no weaker faith, or doubt of the Gospel's power."

"Thankful for such a wise and consecrated leader and the ever increasing results of his service and teaching, this Board desires to place on record its loving appreciation of his charac-

ter and devotion. It desires also to express its deep sympathy with the wife, who shared his labors and aided him in the development of his Christ-like plans."

Another and a different kind of interruption to our work came to us in a different way, in another location. Rev. J. H. Hayswood, of Lumberton, N. C., had been working in a quiet way, taking care of two churches and superintending the interests of Redstone Academy—called so from the aid that was given to it by the Women's Societies of Redstone Presbytery. Slowly but surely the Institution was growing in numbers and efficiency; and growing too in the hearts of Mr. Hayswood and wife. Suddenly the three buildings, on which much labor had been expended, were completely destroyed by fire, including their contents, and all the good planning for many years of usefulness seemed to have gone up in smoke. Mr. Hayswood was at first greatly cast down in spirit; but when the white people of the town began to express their sympathy for him, and to tell him of the high place he occupied in their estimation, and the Chamber of Commerce passed sympathetic and commendatory Resolutions, followed by the appointment of a local Committee to see what material aid could be secured, in the way of putting his school on its feet again, besides formally petitioning our Board to rebuild, he wrote us that the discovery of how many friends he had quietly made and the esteem in which he found he was held by the best citizens of the town, made him feel that this was enough to almost recompense him for the loss he had sustained.

The Board, with the money obtained from insurance, and the aid secured from sympathizing friends, has been able to assure him that by the opening of his fall term, he may be put in possession of accommodations as good and perhaps better than he had before.

It is better to discover new friends through losses, than not to discover them at all. It is better still to find new friends, without losses or crosses, and this we sometimes do.

Our Board has many good friends and it is hard to see how we could get along without them. They seem to us indispensable to the successful carrying on of the work.

Miss Bertha L. Ahrens for many years labored under our Board in Indian Territory, now part of Oklahoma. We came to know her as one of our most consecrated and self-denying missionaries. She has of late been forced to give up

her missionary labors by circumstances not of her own choosing, being kept home in care of her aged and invalid mother. Recently we were pleasantly surprised to receive a letter from her enclosing a deed to a piece of land adjoining our Oak Hill Farm, on which we maintain the Alice Lee Elliott School, under the care of Rev. W. H. Carroll. This land Miss Ahrens purchased some years ago when the price was much lower than it is now. The plot consists of twenty-one and a half acres. She could now sell it at quite an advance over the original cost. Most people would prefer to do this. She preferred to deed it to the Freedmen's Board, and has done so to the intent that by its cultivation as part of our Farm she will be constantly giving some help to the good work that has for years been so near her heart.

If some rich man should give us a million dollars and had several million dollars left, that gift would not, in the sight of the Lord, be as great as these twenty-one and a half acres that Miss Ahrens has so generously added to our School Farm at Oak Hill, Okla., out of her limited possessions.

In 1867, early in the history of the work of our Board, a school for boys was opened at Charlotte, N. C., under the management of Rev. W. L. Miller and Rev. S. E. Anderson, known as Biddle Institute. In 1869 Mr. Miller resigned and Rev. Stephen Mattoon was chosen as President of the Institute. Dr. Mattoon served as President for some sixteen years, during which time the Institute grew into a University. He afterwards took the position of Professor of Theology in the Theological Department, and remained connected with the University until the time of his death, which occurred August 15th, 1889, at the age of seventy-three. He lies buried in Charlotte Cemetery, near the scenes connected with the last twenty years of his long and useful life.

Two of Dr. Mattoon's daughters, Miss Mary L. Mattoon and Mrs. Welling E. Thomas, wife of Rev. Dr. Thomas of Lewisburg, Pa., having held for many years a plot of ground in the immediate neighborhood of the University, containing some fifteen acres, have recently made known their intention to deed this land to the Freedmen's Board, for the benefit of the University, leaving to our judgment the problem as to what use the land can be put, so as best to serve the interests of the School. The Board accepts this liberal gift in the same spirit in which it is given—in memory of Dr. Mattoon, their

father, and proposes to divide the same into building lots, to be sold to prospective home-builders at reasonable rates, regulating the style and cost of the buildings, in the hope of building up a model settlement in close proximity to the University, using the proceeds of the sales in some way or other for the benefit of the Institution. This ground was bought at a time when the price was much less than it now is. It is now estimated as worth five hundred dollars per acre, or more, and should easily be worth from seven to eight thousand dollars.

Mrs. William M. McKelvy, daughter of Rev. Dr. Kumler, in memory of her father, has agreed to erect a new Dormitory for Boys at Brainerd Institute, Chester, S. C., at a cost of \$11,000 or more, as needed. The work is already begun, and the expectation is that the building will be completed and ready for occupancy, on or before the time for the opening of the school this fall. The building is to be finished and furnished in a thoroughly first class way, and up to date in every respect, and will more than take the place of Centennial Hall, which we had the misfortune to lose several years ago.

Mrs. McKelvy could hardly help our work in any way more pleasing to the members of the Board, than by giving at this time this much needed building as a memorial to her revered father.

It is interesting in this connection to reproduce an extract from the Board's Report to the Assembly, made sixteen years ago.

"Rev. J. P. E. Kumler, D.D., for seventeen years pastor of the East Liberty Presbyterian Church, Pittsburgh, Pa., has during his long and busy pastorate always found time to attend regularly the frequent meetings of the Board, of which he was, and is, one of its most interested and influential members."

"The Board on learning of his intention to retire permanently from the pastorate, and recognizing the advantage of securing his services and influence in favor of a work that lies so near his heart, tendered to him the position of Field Secretary of the Board. While this was done in full view of the great benefit that would accrue to the work in thus enlisting his energies in our behalf, it was also done in recognition of his long and faithful service as a member of the Board."

Dr. Kumler in reply to the proposition responded that he would be pleased to accept the position on one condition, and

that condition was that it be clearly stated to the public, and understood by friends of the work, that whatever services he might render would be rendered without salary."

"The Board accepted the condition, the appointment was made, and without further delay was accepted, to the great gratification of every member of the Board."

Dr. Kumler's name appears as Field Secretary of the Board in the published Annual Reports of the years of 1901, 1902 and 1903.

The late Mr. Samuel P. Harbison was also a member of our Board, and in his lifetime did much toward sustaining and promoting its work. Since his death the members of his family, through the agency of "The Harbison Estate" have manifested his spirit and followed in his footsteps in the matter of helping in the education and evangelization of the Colored people in this country. Harbison College, at Irmo, S. C., is to have a new building, which is to furnish additional dormitory accommodations to the boys. The Main Building is to have extensive repairs, and the heating plant substantially enlarged, so that it will not only take care of the new Dormitory, along with the other present buildings, but also serve such buildings as may be added in the future from time to time.

This whole important improvement is to be financed by the Harbison Estate, and completed before the opening of the next school year, the outlay to be about \$28,000.

We were able during the year just closed to give the Church at Palatka, Fla., a school building, which the good people of that church had been asking for for some time, and which they very much needed. We did this through the generosity of Mr. Thomas W. Mellon, Jr., of Pittsburgh, who gave us \$1,000 for the purpose.

We gave this year the Alice Lee Elliott School, at Oak Hill Farm, near Valliant, Okla., a new Boys' Dormitory at a cost of \$1,500.

We remodeled an old building at Camp Nelson, Ky., at a cost of \$600, for the better accommodation of the boys, and at Walterboro, S. C., we have just completed a school building at a cost of \$1,200.

At quite a number of other places, where the people have been crying out for school accommodations, we have had to content ourselves with declining the requests for lack of funds,

and they have had to content themselves with the exercise of the grace of patience.

Calls for help in one way or another come up to us from the field in one continuous stream, and in such variety as would surprise one not familiar with our work.

The Board meet regularly on the first and third Mondays of each month, except the months of July and August, and the Church and School Committees meet and go over the requests in detail, giving each one as careful consideration as its importance requires.

At the regular Board meetings, where these cases are finally decided, the number of cases frequently runs from thirty to forty, and sometimes as high as from fifty to sixty. To grant them all, indiscriminately, would throw us into bankruptcy in thirty days. It is the judicious use of the answer, "Declined for lack of funds," that saves the day.

No doubt the frequency with which we find ourselves declining reasonable requests "for lack of funds," may at times sound unreasonable to the disappointed petitioners, who do not know the condition of our Treasury. A further word of explanation may do no harm.

We have had on our payroll during the past year 663 workers on the field. Of this number 272 were ministers; 40 were laymen and 351 were women. During the greater part of the year the salaries of these workers, which are sent out at the end of each month, amounted to more than \$15,000 per month. The 480 buildings, including churches, manses and school buildings in which the work has been carried on, or which in some other way were, and are necessary, to the work, valued at least at \$1,600,000, have been and always will be a constant source of expense in the way of insurance, repairing, painting, renovating, with here and there a new one added in the way of enlargement from natural growth and expansion.

During the past year we have helped on new church buildings at Darien, Ga.; Riceboro, Ga.; Blackville, S. C.; Warsaw, N. C.; Rock Springs, Ala.; Pendleton, S. C.; Chickasha-Shannon, Miss.

On church repairs we have helped at New Lisbon, N. C.; Lynchburg, Va.; Adams Run, S. C.; Knoxville, Tenn.; Lafayette, Ga.; Allendale, S. C.; Burdick, Ky.; Campbellsville, Ky.;

Wedgefield, S. C.; Raleigh, N. C.; Wadesboro, N. C.; Calhoun Falls, S. C.; Decatur, Ga.; Danville, Ky.; Newport News, Va.; and Bearden, Tenn.

Other miscellaneous expenses on the field have included furniture, plumbing, city street assessments, heating plants, fences, teachers' houses, desks, chairs, lamps, electric wiring, well-cleaning, wagons, horses, cows, oxen, sewer pipes, boilers, stoves, ranges, farming implements, carpenters' tools, blacksmith's outfits, etc., etc.

A full report of the Woman's Department of our Board (which is the same as the Freedmen's Department of the Woman's Board) made to the Freedmen's Board by the General Secretary, and made also annually at the Annual Meeting of the Woman's Board of Home Missions, held during the sessions of the General Assembly, will appear as an Appendix to the Report of our Board to the Assembly.

We ask that special attention be given to this Report as made by Mrs. William T. Larimer, General Secretary of the Woman's Department.

The workers in this Department, Mrs. W. T. Larimer and Miss Roberts C. Barr, deserve and have the special thanks of our Board for their faithful and successful work this year. The Department has, for a number of years, looked and longed for the time when they could report \$100,000 as the total amount of their receipts. In this, their Thirty-second Annual Report, they have at last reached the coveted goal, and are able to report \$101,925.21. They are to be congratulated over this fine result of their untiring efforts.

On the morning of January first of this year Mr. Charles H. Riggs, a member of our Board, departed this life.

He was a Ruling Elder in the East Liberty Presbyterian Church, and for many years a Clerk of Session of that Church. He was first elected a member of the Freedmen's Board in 1902, serving in this capacity with great fidelity until 1906, when the requirements of the corporation he served made it impossible for him to give to the work of the Board the time and attention he thought it deserved, and for this reason he resigned.

When it was known, in 1912, that the desired leisure had come to him, he was re-elected to his old position, and resumed his duties with the same care, interest, sympathy and fidelity

that marked his former sense of responsibility to the great duties of life.

Unassuming and restrained in manner he was yet a man of strong convictions and deep piety, which found a satisfaction in honoring God and helping his fellow men.

And now at the close of this year, the Fifty-first of the Board's work, as we look back over the way through we have been led, we are ready devoutly to thank God and take courage. As we look forward to the duties and responsibilities of another year, we have every reason to believe that "He who brought us safe thus far, will safely lead us on."

The time of service of the following members expires with this Assembly:

Rev. W. L. McEwan, D.D.; Rev. Charles P. Cheeseman, D.D.; Mr. George B. Logan; James C. Gray, Esq.; and James I. Kay, Esq.

Respectfully submitted,

E. P. COWAN, Cor. Sec. and Treas.

JOHN M. GASTON, Associate Sec.

REV. S. J. FISHER, D.D., President.

EXTRACTS FROM THE REPORT OF THE STANDING COMMITTEE
ON FREEDMEN OF THE GENERAL ASSEMBLY
AT ATLANTIC CITY, N. J., MAY, 1916

The Fifty-First Annual Report of the Freedmen's Board shows a year of great activity and inspiring substantial results. A wise and economical administration of the work of the Board is apparent and the gains that have been made gladden the heart. It is a great satisfaction to find that the Board met all demands that the work made on its treasury, and is able to report for the sixteenth time, in annual succession, that all outstanding obligations have been met.

The total income for the year from different sources was \$262,719.72.

The aided churches raised for their own local work and missionary expansion \$172,856.00—a no small sum, when we remember their number and the limited earnings of the members.

The action of the General Assembly in 1915, in transferring from the Board of Home Missions to the Board for Freedmen the care of all mission work among the Colored people of the North, will greatly increase the responsibilities of the Board, and will necessitate an increased income during the coming year, to care for the increased number of churches to be aided.

Your Committee makes the following Recommendations:

1.—The approval of the records of the Board and the commendation of the officers and workers for the same and the masterly way in which they are meeting the problem of the uplift of the Colored people.

2.—The Sunday nearest Lincoln's birthday, or some Sunday that may be convenient, be set apart for presenting in our Sunday Schools the work and the needs of this Board, and for receiving offerings for its support.

3.—We heartily commend the Woman's Department of the Board for the earnestness with which they have worked, and for bringing into its treasury almost \$103,000—a labor of faith and love that is indispensable to the success of the work.

4.—We recommend the re-election of the following named members of the Board, whose terms expire with this Assembly: Rev. W. L. McEwan, D.D., Rev. Charles P. Cheeseman, D.D., Mr. George B. Logan, James C. Gray, Esq., and James I. Kay, Esq.

Respectfully submitted,

REV. EBENEZER FLACK, D.D., Chairman.

The Thirty-second Annual Report
OF THE
WOMAN'S DEPARTMENT
OF THE
Board of Missions for Freedmen
OF THE
Presbyterian Church, U. S. A.

The Woman's Department of the Board of Missions for Freedmen presents its Thirty-Second Annual Report to the Woman's Board of Home Missions, to the women of the Presbyterian Church, and to the Board of Missions for Freedmen.

"Naught treads so lightly as the foot of time" and ere we are aware, another year has passed and its books are closed. As we entered this years work the "Tragedy of War" was spreading and with pallid faces we peered out over the Atlantic for news from the great battlefields, anxious to know and afraid to hear the truth from these lands. It takes a faith that will stand firm "Though the mountains should be removed" to face calmly the issues arising in all parts of the World. But it is ours to believe "That behind the dim unknown standeth God within the shadows keeping guard above His own." In our beloved Homeland the vicissitudes and dangers that have beset us during the past year have been many, but like the Apostle Paul, when he was cheered by the welcome of the brethren who met him at the "Appii Forum" we "Thanked God and took courage." Our prayer and aim was to have one hundred thousand dollars for the work when the clock should strike the closing hour, March 31st, 1916.

The record of the year's gifts for the Woman's Department is found in the following table:

Women's Societies.....	\$ 75,626.02	an increase of	\$3,636.82
Sabbath Schools.....	5,792.83	a decrease of	3,796.29

Y. P. Societies.....	10,484.72	an increase of	813.96
Individuals	7,813.00	an increase of	7,145.00
Miscellaneous	868.89	a decrease of	1,936.71
Legacies	1,339.74	an increase of	1,339.74
	\$101,925.25	an increase of	\$7,202.52

The number of organizations contributing is as follows:

Number of Women's Societies.....	4022	an increase of	256
Number of Sabbath Schools.....	486	a decrease of	886
Number of Y. P. Societies.....	1291	an increase of	85

Through change of policy in Sabbath School Work there has been a loss to the Board of Contributions from 235 Schools this year.

The total amount of offerings received by the Board was \$262,719.72.

The increase in gifts from living sources was \$11,449.68.

It is with joy we report an increase of 256 Women's Societies contributing to this work. 85 additional Young People's organizations have found the joy of service in helping the "Little ones" of the Negro race to have a chance. The Master said to Peter three times "Feed my lambs," and cannot we hear Him saying to us train the children for "The King's Business?" Can we not have every Society and Band giving something for this cause? "The Story must be told" in many places yet in our Southland ere "Christ is Crowned King."

Our prayers were answered for new buildings for Brainerd Institute, Chester, S. C., and Harbison Agricultural College, for boys, Irmo, S. C. Our hearts were filled to overflowing when loving friends responded to calls for help for these two schools. They are to be ready for the opening of the next school year. Many more boys will have a chance, as a former Brainerd Student said "To learn to be Christians; to live pure lives and make honest livings and that is what we want to do in this country."

Two questions have met the General Secretary in her travels:

1st.—Why do you not pay your workers better salaries?

2nd.—Why do you not make the Negro people help themselves more? I think the following table of gifts of the Colored people on the fields under care of our Board will answer both questions:

They gave for Church Work.....	\$ 88,315.38
They gave for School Work.....	80,671.76
	\$168,987.14
To Freedmen's Board.....	\$ 1,118.13
To other Boards.....	2,751.41
	\$172,856.68

Several Life Memberships have been received which means more interest and prayer by the Societies giving them. The money gifts have been recorded but no list can be given of the love and prayers for the work. One message from a worker on the field: "We are praying for every member of your Board by name. We want the pupils in our school to be interested also in Home Missions and we pray for each of them by name. We want them to pray and give for Foreign Missions so we learn each name of officers and pray for them by name." Women does this work pay?

Work on the field under care of Board:

Ministers	272
Churches and Missions.....	438
Added on Examination.....	2,163
Added on Certificate.....	273
Whole number of Communicants.....	27,916
Sabbath Schools.....	411
Sabbath School Scholars.....	22,881
Number of Day Schools.....	137
Number of Teachers.....	494
Number of Pupils.....	17,794
Whole Number of Workers.....	663

The Secretaries have had an exceedingly busy year answering the letters for help and literature from women of the churches from Maine to California. It has been a great

privilege to visit so many Synodical, Presbyterial and local meetings. It was with deep regret we had to say we could not reach all in one year.

It was a special privilege to attend the Chicago Conference of Missionary Women. All questions could not be settled just so but we met and "Know each other better." We will be more considerate in future of the problems that vex and rejoice in the great work we are permitted to do as "Servants of the King."

Freedmen have had "Home Mission Monthly" for April and please notice the pictures of the children of graduates of our schools. "Over Sea and Land" tells its own story of progress in the work when the faces of the children are so full of cheer and sunshine. We want to thank the Woman's Board and Editors of the Magazines for the kindly interest they have shown.

The box work has been ahead of any previous year and much comfort and cheer has been sent to our workers. Many little hearts have been made glad by the gifts sent by our Societies, Bands and Sabbath Schools. Some have known of Christmas for the first time. Sewing equipments have been sent; kitchens have been supplied with cooking utensils for teaching Domestic Science by several Societies.

The Building Fund has been sorely tried to meet the absolute needs for repairs and much needed buildings and equipments.

Fire has done its destructive work in several places but Redstone Academy at Lumberton, N. C., has been the greatest sufferer from this agent. "Burned to the ground" and Rev. Hayswood saw his work of twelve years gone in a moment and the children crying because their only home was in ashes. But sometimes even "The uses of adversity are sweet," and Rev. Hayswood heard words of praise, the people of the town had forgotten to tell him in the years of his plodding quietly along at this work of uplift of his people. The request came at once to the Board from Chamber of Commerce that the School should be rebuilt. The Insurance \$1400 and some added gifts from friends of the work in Redstone Presbytery

gave them a fund to rebuild and they are now at work upon it. Alice Lee Elliott had a new boys' dormitory costing \$1500, and not before it was needed to strengthen the work there. A new school building at Palatka, Fla., costing \$1041 is finished. Boys at Camp Nelson also have new housing costing \$600. New school building costing \$1200 was given Walterboro, S. C. Albion had a new heating plant, new temporary Industrial Building and new house for teacher. Albion needs a new boys' dormitory costing \$10,000. A friend gave \$1300, as a start for the fund. Will any one complete it?

Boggs Academy was granted some necessary furnishings but it is over crowded and a friend seeing the need for a boys' dormitory gave \$500 as a nucleus for a \$5000 fund for that necessity. Desks, blackboards, beds, chairs, wagons, tools, laundry tubs have been given to several schools where they could not do without them. Two cows bought for Blackville, S. C. Paint has been given for a few—on condition they put it on themselves and they are glad to do it. Haines wanted white wash to sweeten the cellars and outbuildings for that great family of Lucy Laney's. Oxen purchased for farm at Harbison for the plowing and hauling there. New water supply given to Barber Seminary.

\$800 was expended for electric lights at Ingleside. Other repairs were also made including putting in of 400 panes of glass and fixing window sash and other damages from the explosion. Many places have been gladdened and cheered by some equipment added and repairs made—but much has been refused because of "lack of funds."

Our schools have been filled and even crowded to overflowing and it has been a better winter than last in attendance. Our gardens and farms have given much more in the line of produce than ever before. This winter snow fell in many places where it is not often seen. The girls at Mary Holmes were very much excited over it for they do not often see it there.

We had to say no to requests for new teachers for "lack of funds" but some schools have paid teachers from their own salaries and tuition. We hope the coming year we will not

have to refuse the needed helpers. The pupils show such earnestness in their work in all lines. The Bible and Shorter Catechism are still daily recitations in our Schools.

We hold to the three-fold development of our pupils, viz., physical, mental and Spiritual. We do not forget to feed the last hungry sense of **our** natures and **theirs**. We know there is no spot in our Southland so dark and degraded but the Bible will brighten and cleanse it. We want the boys and girls of the Negro race to have companionship with the **finest heroes** the World has **ever** known. We want them to be students of the Choicest **Gem** of all literature

THE BIBLE

"Blessed
Information
Bringing
Life
Eternal."

We want them to know the Christ of Galilee their **only Saviour**.

Sadness filled our hearts when word came of an explosion at Ingleside Seminary, December 2nd costing the life of the president, Dr. Graham C. Campbell and one of the girls, and seriously injuring another. Dr. Campbell is a great loss to the work in Ingleside having given twenty-five years to that field and was loved by teachers, pupils and the community at large. In a moment he was taken from the labors of Earth to the joys of Heaven—such joys as the world has never known. Mrs. Campbell took up the work forgetting her own sorrow in helping the girls—so they could finish the year without loss—as she knew the work planned better than any one else.

One of our ministers at Mebane, S. C., laid down his work for the rest of Heaven. Mrs. Stinson, wife of president Rev. H. M. Stinson, Cotton Plant Academy, Cotton Plant, Ark., and our Miss Anna Hunter at Brainerd Institute heard the summons, to "come up higher."

It has been a year mingled with sorrow and rejoicing. Sorrow for War Clouds—yet hanging over the World. Rejoicing for the work done by the women and young people in

the churches in increased giving for this work of uplift among the Negro people. Rejoicing in the nobler band of 663 workers on the field, an increase of 42 over last year. Rejoicing in the earnest work done by the 17,794 pupils in our schools. Rejoicing in the interest in religious work in our schools helped by our Evangelists.

There have been no **strikes** among the workers on either side for they work for "Love" and serve a Master who pays the **best of wages**—in redeemed souls—reclaimed lives—and truly where our work goes—"The wilderness blossoms as the rose."

Let us "thank God and take courage" from the record of the year's work for the opportunities of the year before us.

Let us work and pray as never before for the "One Million Children" of the Negro race in the Southland without **Church** or **School**. Michael Angelo was asked why he did not take more time to eat and sleep, when he was chiseling a block of marble. He replied: "I see in that marble an angel and I want to release it." Oh, women, among these millions of colored people in the Southland are souls, struggling to be free from their load of Sin. Shall we not pray more fervently this year "Thy Kingdom Come" in the "Black Belt" of our Beloved Land and work more earnestly than ever before to Crown our Master "King of kings and Lord of lords" in all the Earth?

"Shall you—Shall I."

Respectfully Submitted,

MRS. W. T. LARIMER, General Sec'y.
